This talk will delve into the historical journey, current dynamics, and future prospects of banking institutions operating in China. The speaker will share his insights into how changes in this sector have affected China's economy and its interactions with the global financial system.

[Didier Magloire](#) is Managing Director at Ripple Group and the Former Chief Risk Officer at ANZ Bank Asia and China. As a seasoned executive in international finance, Didier has a unique blend of leadership, economic, geopolitical and cultural expertise that drives business success.

[China Crossroads](#) hosts talks on all topics related to China, including business, foreign policy, and other areas as they relate to China, the idea being that China is both already a “crossroads” of the world and itself at a “crossroads” in terms of its future global influence.
